

# My Fire Drill Book

Sometimes during school I will hear a fire drill.

A loud noise will come from the ceiling.

The loud noise can not hurt me.

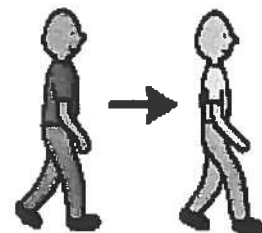

I may cover my ears.

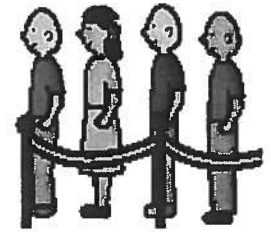

I will look for my teacher.

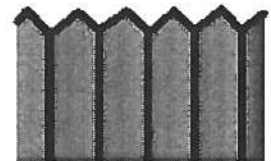

I will follow the classroom rules.

I will line-up at the back door.

When I am outside I will line-up along the fence.

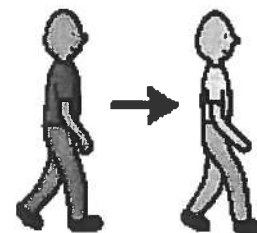

I may cover my ears.

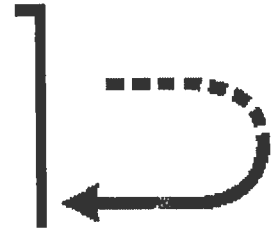

I will look for my teacher.

I will follow the classroom rules.

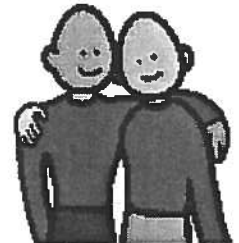

When the drill is all done my teacher will take me back to class.

I will be happy.

My teacher and friends will be happy.
