

FIRE SAFETY

Class Book

Fires are dangerous and scary. They can hurt and destroy things at home.

That's why it's very important that you know what to do in a fire.

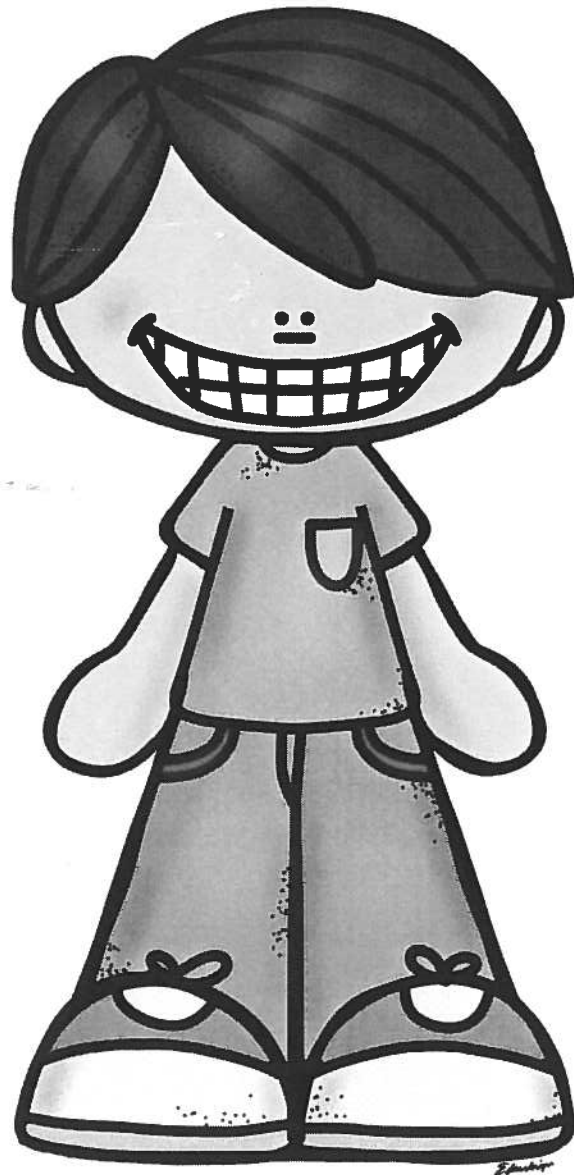

It is very important that your home has smoke detectors. Also, make sure that your family makes an emergency escape plan.

If you ever hear a smoke alarm in your home, get out quickly and stay out!

If there's smoke, stay low to the ground and exit quickly.

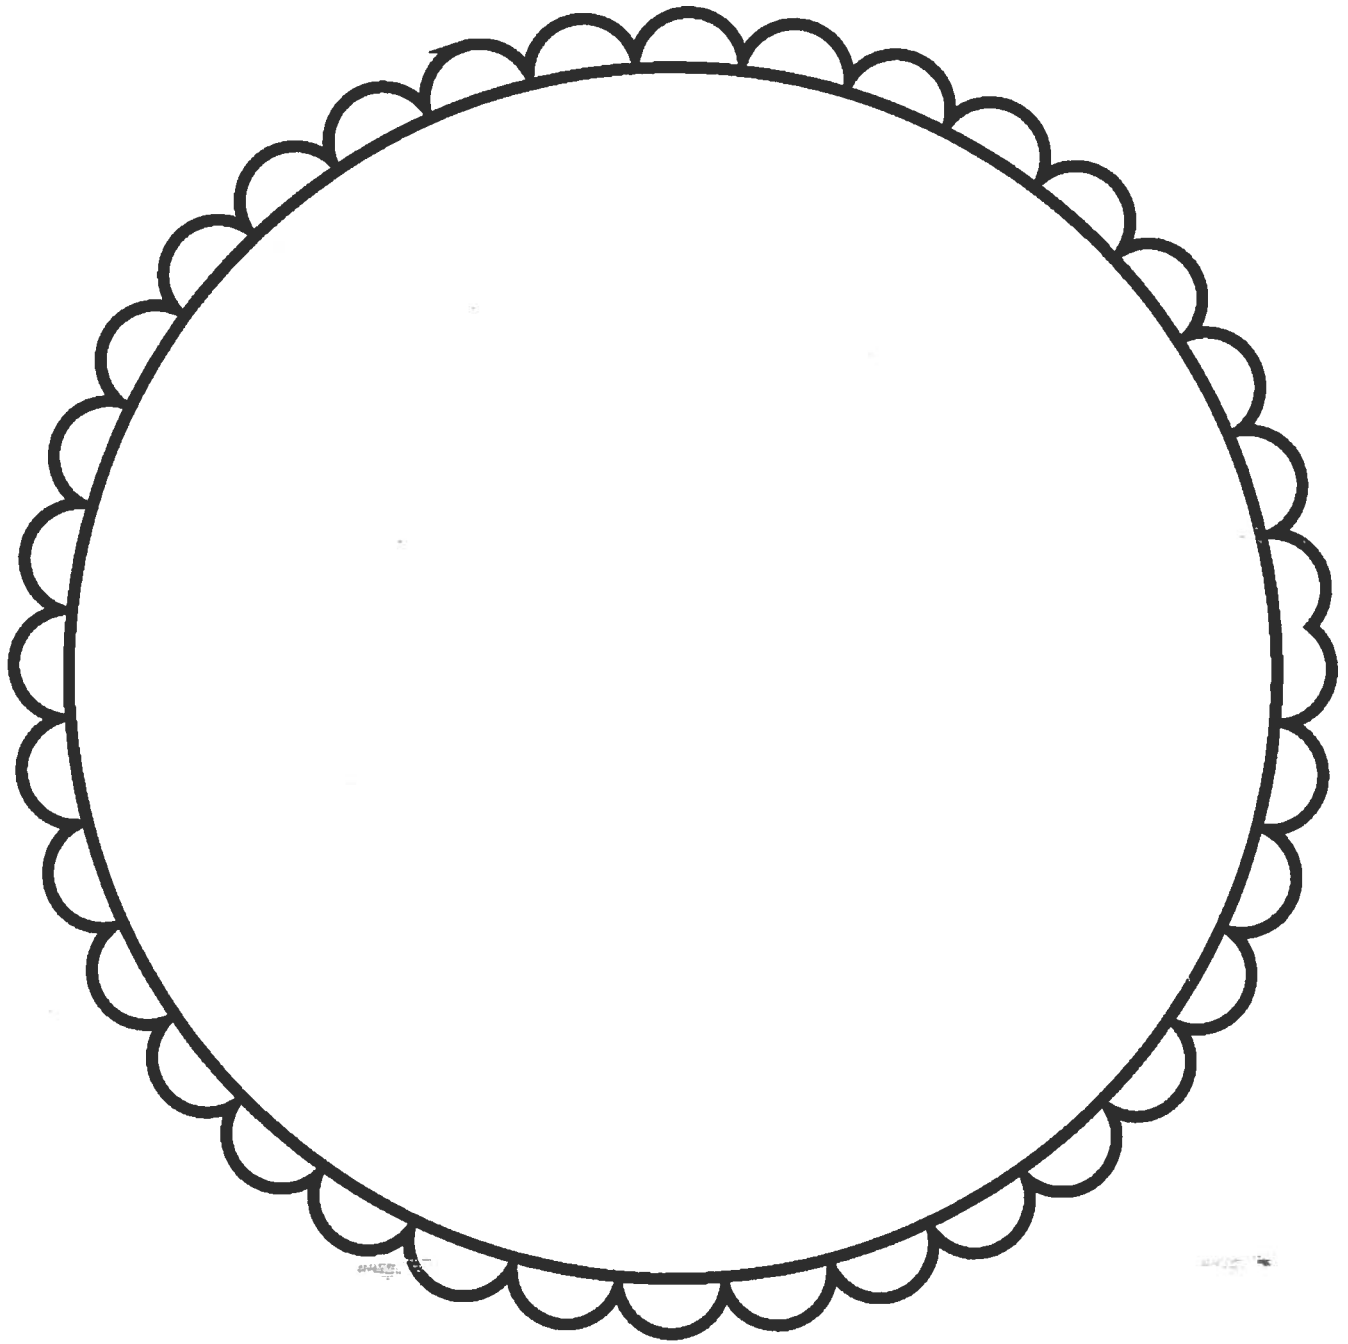

Meet your family at your
preplanned safe spot.

Call 911 from a neighbor's
house.

Don't go near the fire!

Draw a picture of your family's emergency escape plan.
