

Promoting Success for You & Your Students!

DID YOU KNOW? **TPT Feedback = TpT Credits** oit.ly/promotingsuccess It's like FREE MONEY FOR USE ON FUTURE PURCHASES

TpT credits are points which can be applied to future purchases to save you money.

To earn credits: After you make a purchase, you'll need to leave feedback on your purchase. We recommend waiting to do so until you've had a chance to use the product. When you're ready to leave feedback, just return to "My Purchases" and click the "Provide Feedback" link to the right of the date purchased.

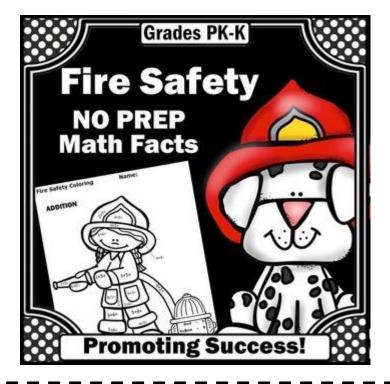

For every dollar you spend on TpT, you'll earn 1 credit—and we'll round up for you, too! If you provide fair feedback on a \$4.75 item, you will earn 5 credits. Every 20 credits you earn equals \$1 to apply toward future TpT purchases.

Please note that TpT credits are only earned for feedback left on active, paid teacher-created resources. There isn't an option to leave feedback when you purchase TpT gift cards so credits aren't earned for them. Credits are not earned for feedback left on free downloads either.

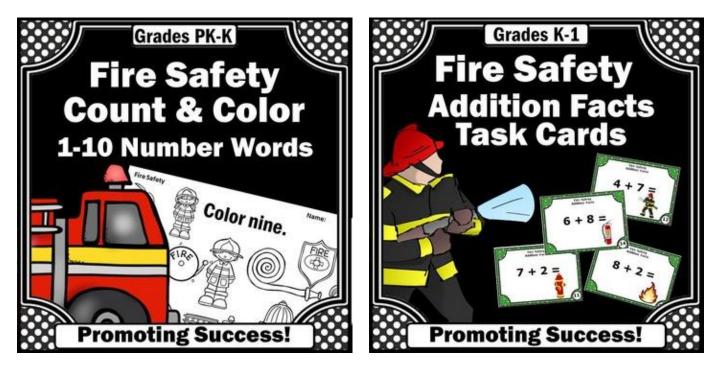

To redeem credits: Once you've earned at least 20 credits, you'll see the option to apply credits at checkout.

When you are in your cart, look under the "Checkout" button and expand the "Redeem TpT Credits" section. To redeem your credits, enter in the number of credits you'd like to apply toward your order, and click "Apply."

These worksheets are a <u>sample</u> from the following resource. You may use them as a formative assessment to determine if the full packet will work well for your students. Click <u>HERE</u> to see the entire no prep packet.
