

Fire Safety Sequence

Fire Safety Sequence
Students each get a strip of 4 pictures. Cut and order the pictures. Glue on construction paper in order. Write a sentence or two about each picture to create a fire safety sequence story.

Fire Safety Sequence
Step 1 Give each student a sequence strip and a piece of red construction paper or your paper of choice.
Step 2 Fold the red construction paper in half twice to make 4 sections.

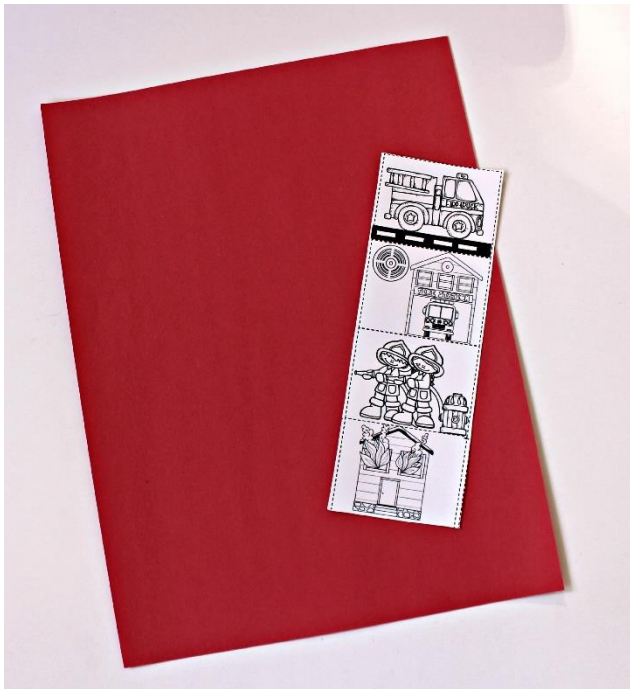

Fire Safety Sequence
Step 3 Cut apart the sequence strip and order the pictures.
Step 4 Write a sentence for each picture to create a sequence story.

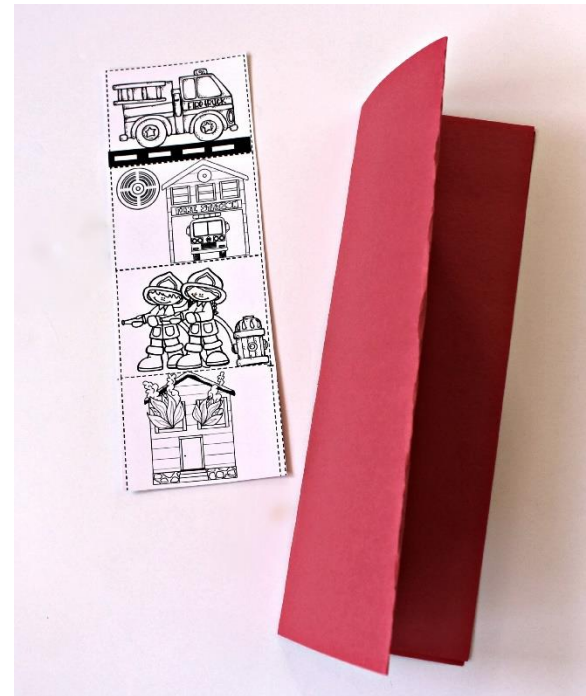

A house is on fire.
The alarm tells the fire fighters to get in the truck.
The fire truck is on the way to the fire.
The fire fighters put out the fire!

Fire Safety Sequence
